MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: NIE-76: Probable Developments in Egypt

BACKGROUND

1. The production of this estimate was proposed by the Assistant Chief of Staff, G-2, on 29 October 1952, and authorized by the IAC on 6 November (IAC-24-87). A Board draft was circulated to the IAC agencies on 2 March. The IAC representatives concluded their consideration of it on the 10th. A number of minor changes and corrections were subsequently proposed and concurred in by telephone. The attached text incorporates these changes.

SUBSTANCE

2. We do not expect any changes to be proposed at the IAC meeting. No significant substantive differences emerged in the IAC representatives meetings, and the various points of detail and emphasis which did arise appear to have been satisfactorily resolved.
